Team Formation for GTU Motorsports

To,
All Principals/Directors of Engineering, Management

Subject: Formation of GTU Motorsports Team for Participation in Formula Student Competitions – 2027

GTU Motorsports is a **student-driven initiative** of Gujarat Technological University dedicated to the design, development, manufacturing and testing of Formula-style race cars for participation in national and international **Formula Student competitions**.

The team functions as a multidisciplinary platform that provides students with practical exposure, technical knowledge, teamwork and leadership. The initiative aims to enhance students' professional competency and bridge the gap between academic learning and real-world engineering and management practices.

The GTU Motorsports Team represents Gujarat Technological University in various national and international competitions such as **Formula Bharat, SUPRA SAEINDIA** and other Formula Student competitions conducted in accordance with national Formula Student/Formula SAE standards.

The team is committed to developing technically competent and industry-ready professionals through hands-on learning, innovation, teamwork and participation in competitive motorsport events.
