CIRCULAR

In order to promote gender equality, guaranteed by Article 15 of the Indian Constitution, there is a need to change the mode of interaction at all levels – home, school college, University, workplace, and so on. The Government of India, in order to increase the outreach for creating an environment that fosters equal treatment, envisages of Gender Champions in all educational institutions across the country. Gender Champions can be both boys and girls above 16 year of age enrolled in educational institutions. Gender Champions are envisaged as responsible leaders who will facilitate an enabling environment within their schools/colleges/academic institutions where girls are treated with dignity and respect.

All HEIs are requests to ensure swift implementation of the enclosed ‘Guidelines for Gender Champions in Educational Institutions’ in the best interest of the student so as to achieve long term sustainable change and submit the online compliance details of Gender Champions at saksham.ugc.ac.in
