Online Mock test for students of Diploma Engineering - Semester 2 & 4

University and affiliated colleges are closed and classes have been suspended in view of the current situation of COVID-19 pandemic. It should be the priority of all the stakeholders that student's time should be better utilized during the remaining lockdown period by engaging them in various types of online learning/evaluation activities. University is continuously trying to support/help society, state and country in the currently prevailing situation through its various types of unique initiatives.

In order to motivate the students and to keep them in touch with the current subject, University is going to conduct MCQ type MOCK test. This test will be conducted for the regular Diploma students of semesters 2 and 4. List of the subjects for which students can register for this MOCK test is mentioned in Annexure A. One subject is selected for each course/branch/semester. Detailed timetable will be released on GTU Website in next week. Marks secured by the students in this test will not be counted in its final result. Students will be required to attempt 30 MCQs in 30 minutes. Each MCQ will have 4 different options. Each question will carry 1 mark and there will not be any type of negative marking. Students can appear in this test through their Laptop, Desktop, Mobile and Tablet from their home only. Students are not required to pay any type of fees to appear in this mock test. No Honorarium will be paid to the faculties/institutes for supporting in this activity.
