Invitation to attend-

Dr APJ Abdul Kalam Memorial Lecture Series (Funded by Atal Innovation Mission, Niti Aayog)

On the occasion of birth anniversary of Dr. APJ Abdul Kalam, during National Start-up Summit 2017, under the aegis of India International Science Festival, Atal Innovation Mission, Niti Ayog awarded Gujarat Technological University for supporting Start-up ecosystem as 2nd best Award.

GTU Innovation Council (GIC) has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the University, relevant to the needs of industries at national and international levels. It helps to create a culture of design, innovation and entrepreneurship with the policies and processes in the arena of industries. Moreover, GIC has established regional centres across the Gujarat State for Innovation and Startups at Ahmedabad, Baroda, Surat and Rajkot.

GIC provides facilities like Co-Working Space, Mentoring, participation in Vibrant Summits, Central level Startup Competition and Guidance in marketing, Business development and many more, for the Sustenance of Innovators. Today, **67+ Startups have been incubated**, out of which **41 Startups have been funded worth Rs 1.3 Crore** based on Startup Assistance Scheme of Govt. Of Gujarat and SSIP. GIC is working in **5 domains namely**: Pre-Incubation (S4), Design Thinking, IPR, CiC3 (Community Innovation & Co-Creation Centre) and Incubation to support Innovators.

In the above facts and with respect to award received, GTU has launched Dr. APJ Abdul Kalam Memorial Lecture series. The first lecture in the series on “Creativity and Innovation” was delivered by honoured grass-root innovator, **Dr Anil Gupta, Founder, Honey Bee Network**. Now for the 2nd lecture, we are inviting **Dr. Tapan Misra, Sr. Advisor to Chairman, ISRO**.

GTU invites faculty members, students, innovators, start-ups and aspirants to attend this lecture.
