ME	4	Regular/Remedial	

- Foreign students/out of state students are also required to fill their exam forms and give their exam center choices in said schedule without fail.
- If foreign students/out of state students are unable to reach the exam center on the date of the examination then special examination will be conducted for such students afterwards. But such students will have to inform their parent institute regarding the same and institute has to verify the application and inform to the University.
