

About Government Polytechnic, Daman

Government Polytechnic, Daman under U.T. Administration of Dadra & Nagar Haveli and Daman & Diu was established in October, 1989. It is now functioning in an independent new complex at Varkund on Daman–Vapi Main Road. The Institute collaborates with the Departments of Civil Engineering, Chemical Engineering, Mechanical Engineering, Information Technology, Computer Engineering, Electrical Engineering and Plastic Engineering. The Institute has an explicit Administrative Block, Advanced Library, well equipped Workshop and Laboratories, Boys Hostel and Canteen facilities. All the Workshops and Laboratories needed are designed for the courses as per AICTE prescribed Norms and Standards. The Government Polytechnic, Daman is approved by the All India Council for Technical Education (AICTE), New Delhi and is Affiliated with Gujarat Technological University, Ahmedabad, Gujarat State.

Gujarat Technological University:

Gujarat Technological University is a premier academic and research institution which has driven new ways of thinking since its establishment in 2007 by the Government of Gujarat vide Gujarat Act No. 20 of 2007. Today, GTU is an intellectual destination that draws inspired scholars to its campus, keeping GTU at the nexus of ideas that challenge and change the world. GTU is a State University with 486 affiliated colleges in its fold operating across the state of Gujarat through its five zones at Ahmedabad, Gandhinagar, Vallabh Vidyanagar, Rajkot and Surat. The University has about 4,00,000 students enrolled in a large number of Diploma, Under Graduate, Post Graduate programs along with the robust Doctoral program.

All India Council for Technical Education (AICTE):

All India Council for Technical Education (AICTE) was set up in November 1945 as a national-level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner. The promotion of qualitative improvements of such education in relation to planned quantitative growth and regulation & proper maintenance of norms and standards in the technical education system & for the matters connected therewith
