I am very happy to know that Sunshine group of Institute is organising Fifth Job Fest 2020 for MBA students. 2020 is a change year of new decade and last decade showed us many new angles of changing Economies! Rajkot is on threshold of Big Growth due to Smart city project, International Airport and AIMS etc. I wish all job Aspirants to think Big and grab the Growth opportunity wholeheartedly. I congratulate Mr. Mathur and Dr. Vikas Arora for supporting Rajkot Youth to get Dream jobs in challenging times for Trade and industry.

A college career fair provides students an opportunity to meet with a variety of prospective employers. Attending one is a helpful way to explore the career options available at a variety of organizations plus the in-person connections you make with companies will help you get noticed and it can increase the likelihood of your application being considered by employers. So congratulations to Sunshine Group of Institution (Department of Management MBA) to arrange the event.
