

About Us

Silver Oak Group of Institutes consists of two engineering colleges namely, Silver Oak College of Engineering & Technology established in year 2009 & Aditya Silver Oak Institute of Technology established in year 2014, located at Ahmedabad. It is certified by ISO 9001-2008, approved by AICTE and affiliated to Gujarat Technological University. The Silver Oak group of Institutes is known for its "Out of Box" initiatives and emphasis of "Education to Innovation". The Institute paves the way for a brilliant career and nurture Engineers, who can stand persistent in global market. Today it is one of the most sought-after institutes for pursuing education in engineering across the state of Gujarat.

Objectives

This Faculty Development Program (FDP) aims to enhance knowledge of participants in the area of Gas Turbine to promote their research and academic activities. To familiarize the participants with the latest techniques and advanced concepts in Gas turbine Engine, Experts from IIT, NIT, GE Global Research and other Private Institutions has been called to deliver the sessions.

Key Features

- Accommodation will be provided for out station participants at free of cost. Limited on campus hostel accommodation will be provided on request from participants, subject to availability.
- Participants would be supported for travel at actuals, subject to the limit of 3-tier AC train fare, on request for the shortest route from the place of work to our Institute. Please note that, travel support doesn't include Tatkal fare and also Rajadhani, Duronto and other Premium train fare.
- Test will be conducted at the last day of FDP, and certificate will be issued only to those participants, who qualifies the test.
- Breakfast and Lunch will be provided for all participants. Dinner will be provided for the participants for those who are seeking accommodation.
- FDP kit and course material will be provided.

Eligibility

Academicians from Aeronautical/ Mechanical/ Production/ Manufacturing/ Automobile engineering fields and allied branches.

How to apply

Apply through registration link on or before 30.11.2019. Participants need to upload the scanned copy of application form duly endorsed by Head of Institute on Institute's letter head (template is available in the registration link).

Registration link: <https://forms.gle/O6JRyfm9zDmSUAQP9>
