

Guidelines for applying for modification of Research Title

As far as possible the PhD Supervisor, Co-Supervisor (if appointed), the DPC members and the PhD Student should try to come to the consensus for having a Research Title before filling the Final Registration Form.

1. In cases where Supervisor and DPC members recommend modification after final registration, PhD scholar has to apply in prescribed format. Such application for modification of Research title will be processed only once during the entire span of PhD admission.
2. The application as per the format at Annexure 1 should be submitted to the University in hard copy.
3. From batch 2013 onwards, the applications of modification in the research title will be considered as per the following:
 - for part time research scholar till Semester 7 and
 - for full time research scholar till Semester 5
4. The application for modification of research title should be accompanied by definite recommendation and justification for modification of the research title from the concerned Doctoral Progress Committee (Supervisor and appointed DPC members including Co-Supervisor) and the same should be approved by Competent Authority of the University. Once approved the same shall be notified to PhD scholar, Supervisor and DPC members.
5. No application for modification of research topic will be considered at the time of notifying Open Seminar.
