Sub: Inviting Applications "Students Engineering Model Competition" by 20th August 2018 under the aegis of India International Science Festival (IISF) 2018 to be held on 5th-8th Oct 2018.

Dear Sir/Madam,

As you may be already aware, the 4th edition of the India International Science Festival (IISF) 2018 is going to take place at Lucknow during 05-08 October, 2018. On earlier 3 occasions, they were held at IIT-Delhi, National Physical Laboratory, New Delhi and Anna University with associate institutions at Chennai and have been only growing in all respects. IISF is envisaged to be an integral part of India's long term vision in developing and widening the scientific temper among various strata of the society. It aims at providing a common platform to young students, scientists and technocrats from the whole of India for exchange of knowledge and ideas to make innovations for the betterment of people.

As part of the IISF- 2018, an Engineering Model event "**Students Engineering Model Competition**" will be held on 6th- 7th October. The purpose of this event is the improvement of innovativeness and creativity of engineering students across India. We are encouraging the students to become a part of nation building through promoting the engineering models for the benefit of national missions. (Please refer attached SEMC - IISF brochure for detail information).

In the above context, AICTE is being one of the partner organization to "**Students Engineering Model Competition**" under IISF- 2018, it is requested to disseminate the program among students and encourage them to participate. The last date for submission of applications through portal (www.scienceindiafest.org) is 20th August 2018.

For further detail about the program, registration and other related queries, you may write to IISF Secretariat correspondent Mr. Madhavan K V, Cell No- 7065149258, madhavvalakode@gmail.com, semc@scienceindiafest.org, Ministry of Earth Science, Prithwi Bhavan, New Delhi.

Thank you with warm regards

(Prof. A P Mittal)
