Chandkheda, Ahmedabad - 382424 - Gujarat

Sub: Request for Issue a Circular to all the affiliated Colleges/Institutes under GTU to visit Futuristic Technology and Space Exhibitions at Gujarat Science City, Ahmedabad.

Dear Sir,

Greetings from Gujarat Council on Science and Technology (GUJCOST), Gandhinagar.

It is our pleasure to inform you that as a part of up-coming Vibrant Gujarat Summit, the Dept. of Science & Technology, Govt. of Gujarat is organizing three major events including (i) Futuristic Technology Exhibition, (ii) Beyond Planet Earth: The Futuristic of Space Exploration and (iii) International Conference on Science, Technology, Engineering and Mathematics (STEM) at Science City, Ahmedabad.

The Futuristic Technology Exhibition will display Futuristic technologies and product, which are ready for commercialization. Such an exposure will stimulate curiosity, innovation and imagination among young minds for New India mission. STEM Conference will be based upon Presentations of selected research papers by eminent faculties of premier institutions.

Beyond Planet Earth: The Future of Space Exploration exhibition has been designed and developed by American Museum of Nature History, USA and curated by NASA and will be a Breath taking Exhibition that will take students and visitors on a journey to explore the next frontier. Beyond Planet Earth features a series of immersive environments and dloramas that offer a glimpse at what the next 50 to 100 years of space exploration may bring. The Beyond Planet Earth Exhibition will be open on 17th January 2019 and will be continued to 11th May 2019. A brief about Beyond Planet Earth exhibition along with its posters and leaflets are enclosed herewith for kind reference.

From 17th to 20th January, 2019 there will be an interactive session on Futuristic Technology by an eminent expert at the Futuristic Exhibition Hall in Vigyan Bhavan in Science City. The Schedule of such interactive session is enclosed herewith for kind reference.

In order to provide an exposure to the engineering students of different institutions to the Futuristic and Space exhibition, Science City has made special arrangements including free entry with guided tour to the exhibition as well as to attend interactive sessions in the Futuristic Tech Exhibition in Science City during the above period.

We request you to please arrange to issue a circular to the GTU affiliated Colleges and Institutions to explore Futuristic and the Space exhibitions and other attractions in Science City from 17th Jan, 2019 onwards. For students interactive session visit coordination, my colleague Dr. Sumit Vyas (M: 9825898903, Email: pd-rsm-rajkot@gujarat.gov.in) may be contacted for necessary coordination.

Thank you and with best regards.

Yours sincerely,

(Narottam Sahoo)
