**Subject: Regarding Setting up SWAYAM-NPTEL Local Chapter in Affiliated Institutes
(BE, ME, Diploma Engineering, MBA, BBA, MCA and BCA)**

In accordance with the National Education Policy (NEP – 2020), Gujarat Technological University (GTU) has introduced MOOCs for the students of BE, ME, Diploma Engineering, MBA, BBA, MCA and BCA from the Academic Year 2024-25.

Kindly refer following mentioned points to ensure the smooth implementation of MOOCs –

1. GTU has published ‘Guidelines for Implementation of Massive Open Online Courses (MOOCs) & Integration of Skilling-based Courses’ via circular dated 20.07.2024. Please refer to the same to understand the mechanism.

2. Each institute which offers BE, ME, Diploma Engineering, MBA, BBA, MCA and BCA programs must establish the SWAYAM-NPTEL Local Chapter by nominating one senior faculty member as SPOC (Single Point of Contact) as per SWAYAM guidelines. These Local Chapters will work in coordination with GTU.
3. Each student needs to select its own institute as well as University while doing the registration of MOOC.
4. The list of the MOOCs (for Even Term and Odd Term) will be uploaded on the official website of GTU and students have to select MOOCs only from the list displayed on GTU website. It will be the sole responsibility of the institutes to make sure that their students have selected the MOOCs from the same list.
5. For processing the result, the University will consider the data of only those students who are registered through the institute’s Local Chapter.
6. Each institute will publicize MOOCs through this Local Chapter.
7. Students should be guided properly for MOOCs at institute level. SPOC/Mentor needs to create awareness among students and encourage them to enroll in the MOOCs.
