

Online Awareness Programme on AICTE's Institutional Development Initiatives at 02:30 PM on 20th October, 2020 (Tuesday)

AICTE provides directions to technical education in the country through regulations and policies and ensures momentum and quality by operating schemes with institutions, faculty, and students targeted as beneficiaries. These range from funding research to travel grants for attending conferences abroad to the faculty; from modernization of infrastructure to building of hostels in the institutions; and providing scholarships from the meritorious to the disadvantaged students.

With a view to generate awareness among the intended beneficiaries of different schemes run by the **Institutional Development Cell, AICTE**, an online awareness programme on “**AICTE’s Institutional Development Initiatives**” is scheduled at **02:30 PM on 20th October, 2020 (Tuesday)**.

The awareness program will be organized through webex platform along with it is live broadcast on YouTube channel of AICTE.

We look forward to your joining in the Session through the link given below:
