

Request to distribute information regarding internship available in industries to the students

There is a mandate of AICTE / University/Institutes to provide internship opportunities to the students which is mandatory for all students as per the syllabus of the course. In respect of this, AICTE is providing a platform for the students. Which is given in following link:

<https://internship.aicte-india.org/>

After clicking this link AICTE internship portal will open with the following screens.

Internships in India (Popular Cities)

Recently Added Internship

Students can click any one of the above internships available which are floated by industries . **Therefore, you are kindly requested to send the above information to the students Email ID . This is very important for the benefit of the students. Kindly cooperate.**
