

Microsoft and AICTE collaborate to skill students and educators in next-generation technologies

With a vision to provide uninterrupted online learning to millions of students across the country, All India Council For Technical Education (AICTE) has partnered with Microsoft to empower learners and educators with future-ready skills. As part of this partnership, over 900 course modules from Microsoft will be made available to students and educators free of cost through AICTE's free e-learning portal, ELIS portal (<https://free.aicte-india.org/>).

A copy of the small media release with details is hereby attached. It is requested to share the information among maximum students and faculty members for the benefit of all the students, teachers, and management of technical institutes.
