

One-day demonstration workshop on "How to conduct Student Induction Program in College"

We are delighted to share with you that many universities in the country are increasingly adopting the 03 weeks Student Induction Program (SIP) and UHV-II recommended by AICTE through its Model Curriculum.

AICTE is leaving no stone unturned in updating and preparing colleges and teachers to implement these programs viz. SIP & UHV in letter and spirit. In continuation of our efforts to equip colleges and prepare an adequate number of faculties; one-day demonstration workshop is being arranged as per following:

1. **20th September - English Language**
2. **21st September - Hindi Language**

This demonstration workshop will help colleges prepare their team on how to effectively conduct 03 Weeks Student Induction Program in your colleges.

As the 2021 session is starting, you are requested to nominate at least 2-3 faculty coordinators who are in charge of organizing the Student Induction Program for this academic year. The faculties being nominated by you must have undergone at least one of the FDPs on Universal Human Values (either face to face in previous years or online).

The link for sending nomination is given below:

We look forward to your active participation!

With warm regards
