The above mentioned students have received the medal based on following rules as per the approved minutes of Academic Council meeting dated 4th April 2018 (Agenda 10)

1. Medal winner will be decided on the bases of maximum CGPA/CPI for all the courses.

5. Two branches in Diploma engineering, namely (i) Diploma in Textile Processing Technology and (ii) Diploma in Textile Manufacturing Technology is of 7 semesters. Hence the medal in these branches of Diploma engineering will be given in the annual convocation and not in the mid-year conferment of diploma/ degree certificate scheduled during the month of July every year. Similar arrangements will be done for all such courses that may come up in future, whose last semester happens to be an odd semester.

For example, in Chemical Technology branch of degree engineering medal may be given to the student with maximum CGPI among all the four specialization, namely (i) Pharmaceutical Technology, (ii) Polymer & Rubber Technology, (iii) Dyes and Pigments Technology and (iv) Glass and Ceramics Technology. Gold medal will not be given to student with maximum CGPI in each of the above four specializations
