Introduction:

This year's Cyber Safety Day celebrations took place on Tuesday, 7 February 2017. With a theme of "**Be the change: Unite for a better internet**", the day called upon all stakeholders to join together to make the internet a safer and better place for all, and especially for children and young people.

Students from Gujarat Forensic Sciences University, Gujarat Technological University and Raksha Shakti University participated in that event. More than 500 students participated in the event for the cyber security awareness.

“Gujarat police are all set to get a 'Cyber Suraksha Kavach', a special cell for prevention, control and detection of the cyber-related crime in the state. Police officers will be trained under the aegis of the cell, which will help them solve cyber-related cases more efficiently.” ADGP, State Crime Record Bureau (SCRB), **Sanjay Srivastava** said, adding that training will be provided to officials. He said a 'Digital Skills Academy' will be initiated, which will be governed by the state Home Department.

"The body (cell) will provide training and certification course to our police officers for the first time in India," the officer said, adding the course will be completed in three years. Police and experts in the field of cyber security will work together in this cell, which will be headed by an ADG-rank officer, said Srivastava who will be heading it. The first-of-its-kind of body will take assistance from Gujarat forensic Science University (GFSU), he said.

Chief Guest Shri Pradipsinh Jadeja, Hon. Home Minister, Gujarat State expresses his views on the importance of fighting cybercrime at the launch of #Cyber Safety Day 2017.
