atCapacity Building programfor SSIP Coordinators

Sponsored by SSIP Cell, Govt of Gujarat

Program	: Exposure program for Startup Ecosystem Enablers
Organized By	: SSIP Cell, Govt. of Gujarat
Venue	: NSRCEL - IIM Bangalore
Duration	: 21st Oct 2019 to 22nd Oct 2019

About Program:

SSIP cell, Govt. of Gujarat had organized fully sponsored 3 days capacity building and exposure Program for shortlisted SSIP/IPR coordinators from different SSIP Grantee incubation centre/institutes from Gujarat. It was planned through senior and experienced mentors who had guided all in a structured manner to take innovation and incubation centre to the next level of success. The education department had given preferences to grantees that are performing well while executing the SSIP mandate at the grassroots level. SSIP Cell started the 1st Cohort at IIM-Bangalore for which Gujarat Technological University had nominated Mr. Nikhil Suthar to participate in this exposure program who is working at Vadodara Regional Innovation & Startup Centre.

Day 1, Capacity Building Training started with 'Introduction to the 3 Days Program' and participant's expectations and Icebreaking session by Mr. Jacob. He Welcomed and setting up expectations for the program and discuss the agenda for the days. Later on He shared the NSRCEL approach to build entrepreneurial ecosystem, Also he exposed to NSRCEL's way of Incubation and informed on various events, activities and programs conducted at NSRCEL for the benefits of the entrepreneurs.

After Introduction of NSRCEL, Prof. K Kumar had taken a session on Entrepreneurial Mindset, in which he covered following aspects: Entrepreneur's Myth busting, Uncertainty, Customer Validation (Ideation, pivoting, failures). After this informative session, Prof Dalhia Mani took the session on Setting up Entrepreneurial Network. She discussed on how to create and sustain an entrepreneurial ecosystem with real case studies.

In next session, NSRCEL program heads have shared their flagship programmes, challenges and their experiences in handling their programs. After That session, Mr. Sachidananda B S took a session on 'The NSRCEL Way', in which he covered aspects on understanding on capacity building and creating your own playbook for incubation.

Day 1: SSIP Capacity Building Program at IIM Bangalore | 21st October 2019

Day 2, Capacity Building Training Program began with session on 'Entrepreneurs - A mentors perspective' by Mr. Nagaraja (Naga) Prakasam. He shared the approach to identifying potential entrepreneurs and Competencies of successful entrepreneurs. After this informative session, Entrepreneurs of NSRCEL had delivered the talk about the expectations from mentors and support extended by incubators. In second half, participants were visited 91SpringBoard co-working space in Bengaluru and interacted with startups and stake-holders.
