

Request to support the vaccination programme by the campaign in HEIs

Our country has very effectively faced an unprecedented public health crisis for the past several months in the form of COVID-19 pandemic. The Government is in all readiness for the roll-out of the vaccination programme.

In the face of such a swift evolving scenario of vaccine development and rollout, one of the challenges is to ensure that the over 1.3 billion people in India receive factually correct and prompt information and updates on vaccine benefits and rollout progress. In this regard kindly find the attached letter from Sh. Rajesh Bhushan, Secretary, Ministry of Health and Family Welfare with a request to kindly support the campaign roll out with support from University Networks and Online talk platform as well as leverage point of large footfalls.
