## Circular

**Subject: "Semester-wise Total and Obtained Marks" Certificate.**

The University provides a Grade Sheet that shows the grades earned by students. However, while applying for various government jobs, pass-out students of GTU are required to submit details of their **total marks** and **obtained marks** during application or document verification after qualifying for the exam.

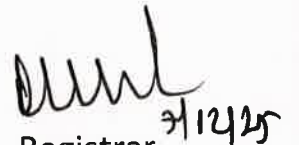

To support this requirement and help students, GTU issues a certificate called **"Total and Obtained Marks Certificate"**, which gives detailed information about the marks obtained in each semester.

If a student reappears for a failed subject and clears it later, the updated marks are included in the respective semester and in the overall total. These revised marks are added directly and **are not specially highlighted**.

This certificate is issued with the approval of the competent authority.

**Note:** This circular is only for the **"Total and Obtained Marks Certificate"** and not for Grade Sheets.
