Important Circular for Revoking of Enrollment Number

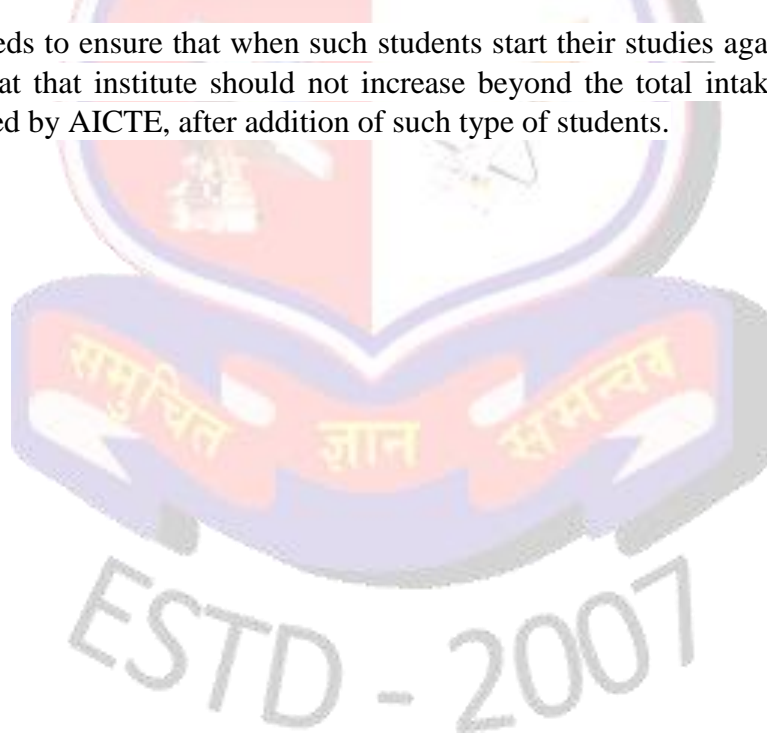

Read: Approved agenda no. 14 of Academic Council Meeting dated 25.05.2017

GTU has decided to provide last chance for revoking of the cancellation of the Enrolment number of those students whose (i) validity of the Enrolment number has not yet expired as per Notification No. 01/2012 dated 13.04.2012 and (ii) whose status was not 'detained' on the day of cancellation of the Enrollment number by GTU. **The application should reach GTU latest by 11.08.2017.** These students can continue their studies from academic year 2017-18 onwards from the same institute where they were enrolled. The validity of the enrollment number of these students will be governed as per Notification No. 01/2012 dated 13.04.2012 and in no circumstances any further extension will be given after the expiry of the validity of enrollment number. The students presently studying in GTU cannot cite this benefit of revoking of enrollment number as a precedence and ask for similar benefit, in future.

The institute needs to ensure that when such students start their studies again, the number of students intake at that institute should not increase beyond the total intake capacity of the institute approved by AICTE, after addition of such type of students.
