Witnessing the Chandrayan -3 Landing on Moon

Gujarat Technological University
An International Innovative University
(Accredited with A+ Grade by NAAC)

MESSAGE

Namaskar

It gives me immense pleasure to share some significant developments and achievements within our esteemed University.

The recent Chandrayaan-3 landing event was a moment of pride for us all. We had the privilege of hosting the witnesses to this historic event in the presence of Shri Rushikeshbhai Patel, Hon'ble Minister, Higher & Technical Education of Gujarat and Shri B. N. Pani, IAS, Commissioner of Technical Education, Gandhinagar.

This quarter also marked the 13th Foundation Day of the GTU Innovation Council (GIC). The celebration was a testament to the unwavering dedication of our students and faculty in fostering innovation and entrepreneurship. The event was a reflection of our commitment to nurturing an environment that encourages creativity and the pursuit of ground-breaking ideas.

Our GTU Robocon Team clinched the prestigious 'SMC Corporation Award', showcasing the exceptional talent and innovation that thrives within our University. This achievement not only brings honour to our community but also reinforces our position as a powerhouse of technological prowess.

We take immense pride in recognizing the accomplishments of our two faculty members who were awarded Patents for their innovations. GTU has embarked upon a roadmap to strengthen research endeavours.

The visits of foreign delegates and the presence of international students on our campus continue to enrich our global perspective. These interactions foster cross-cultural understanding and open doors to new avenues for collaboration and learning.

In addition to these highlights, the university conducted a series of orientation programs and workshops in the domains of Blockchain Technology, Cyber Security, and IoT etc. that aimed at equipping our students with the skills and knowledge required to thrive in today's competitive landscape. We believe that providing a nurturing environment for our students to make them industry-ready is of prime importance for us.

At the annual gala Start-up Fest 2023, GTU showcased the entrepreneurial spirit that defines our community, and it is heartening to witness the innovations and Start-ups that emerge out of our carefully curated ecosystem.

It is a matter of pride for GTU to recognize the outstanding contributions of our faculty members with the esteemed Tech Guru Awards.

As we continue on this journey of excellence, I want to express my gratitude to each and every member of the University - faculty, staff, students, and other stakeholders - for their unwavering support and commitment to our shared vision. Together, we will continue to redefine boundaries and shape the future for our aspirants in line with industry expectations.

Dr. Rajul K. Gajjar
Vice Chancellor
Gujarat Technological University, Ahmedabad

Top Stories

Welcome of Dr. Rajul K. Gajjar, Hon'ble Vice Chancellor, GTU on 4th August 2023

The Gujarat Government appointed Dr. Rajul K Gajjar as the new Vice Chancellor of the Gujarat Technological University. She is the first woman Vice Chancellor of Gujarat Technological University. All the staff members of GTU gave a warm welcome to the new Hon'ble Vice Chancellor of GTU.

Celebration of 13th Foundation Day of GTU Innovation Council (GIC) on 2nd August 2023

SSIP 2.0 screening was organised by GISC GTU Innovation and Startup Centre and it was a great success, with around 59 innovative projects/startups being screened on 13th foundation day. On the occasion of 13th GIC Foundation Day, it was celebrated through marathon screening of 59 Innovative projects/Startups under SSIP grant and Startup Gujarat Policy, Incubation for TBI, Felicitation of GIC Alumni, Appreciation of Evaluators, Launch of "GTU Start-up and Entrepreneurship Stories" Book and Felicitation of GTU Robocon team, National Champion. Efforts of all innovators and evaluators were appreciated for contributing to the Startup Ecosystem.
