Message from THE VICE CHANCELLOR

Namaskar

It gives me great satisfaction to present this quarter's newsletter, which captures a wide range of academic, research, administrative, and student-driven activities conducted across Gujarat Technological University during July to September 2025.

This quarter marked significant progress in our global engagement. Delegations from France, Taiwan, and Nigeria visited GTU to explore collaboration in research, internships, higher education opportunities, and emerging technologies. Productive discussions also took place with Intel and TATA Consulting Engineers, focusing on AI readiness, engineering skills, training support, and curriculum-industry alignment. These interactions will strengthen our international footprint and offer new avenues for our students and faculty.

Our academic ecosystem expanded through targeted initiatives such as the sessions on AI-enabled university services, personality development and leadership training camps, and awareness programmes on emerging areas. The series on Applied Artificial Intelligence in University Administration helped faculty and staff understand practical applications of AI in admissions, evaluations, communication, and administrative workflows. The FDP on AI Model Development, Multi-Agent Systems, and Enterprise Applications further equipped educators with advanced technical skills.

Research and innovation remained central to our mission. The National Level Poster Competition on AI-Powered Research and Innovation received wide participation from institutions across the country. The Innovate 2 Impact showcase and activities under the R&D Cell encouraged multidisciplinary experimentation and prototype development. Our role as the nodal agency for discussions on quantum technology and the National Quantum Mission reiterates GTU's commitment to emerging science and national priorities.

Student engagement across cultural, sports, and social domains continued with remarkable enthusiasm. Camps on music, folk dance, drama, and personality development; the Chintan Shibir on sports; the Abhigam orientation programs; and the active participation in NSS activities—including the Pre-State NSS Day Celebration and achievements at the state level—reflect the vibrancy of our student community. The Garba Mahotsav - Thanganat, blood donation camp, and Independence Day celebrations strengthened the sense of culture, service, and unity across campuses.

Our MoUs with national and international organizations—including the Wadhvani Foundation NEN, Savli Technology Business Incubator, Aspire Disruptive Skill Foundation, GIFT City, Seema Jagran Manch, DADB India, and Aivancity School of Technology Business & Society—will support entrepreneurship, deep-tech incubation, advanced training, and global academic exchange.

Each activity demonstrates the drive and dedication of our faculty, students, and staff. I extend my sincere appreciation to all contributors for their consistent efforts in strengthening GTU's academic and societal impact. As we look ahead, let us continue to build on this momentum and work together towards excellence, innovation, and national development.

Dr. Rajul K. Gajjar
Hon'ble Vice Chancellor

Lecture series -CEO in Classroom “Shaping Futures like Diamonds Leadership, Values, and Success”

Gujarat Technological University – School of Management Studies organized an inspiring session under its “CEO in Classroom” lecture series on 10th September 2025 at the GTU Chandkheda Campus. The session featured Padma Shri Savjibhai Dholakia, Founder & Chairman of Hari Krishna Exports Pvt. Ltd. and Dholakia Foundation, who shared his remarkable journey of transforming humble beginnings into a global success story. During the session, he shared his remarkable life journey and emphasized values such as vision, hard work, ethics, and people-oriented leadership. His motivational insights, drawn from real-life experiences, deeply resonated with the students. The interactive discussion encouraged learners to think about entrepreneurship and future leadership challenges. The session concluded with participants feeling empowered to shape their futures “like diamonds.”

“SAARTHI Conclave for NEP - 2020 Implementation”

Gujarat Technological University (GTU) organized a two-day “SAARTHI Conclave” on 22nd - 23rd September 2025, celebrating five years of NEP 2020 and emphasizing students' role in shaping Viksit Bharat 2047. The conclave brought together 215 student ambassadors from multiple universities and GTU-affiliated colleges. Hon. Shri Atulbhai Kothari delivered insightful guidance on the key dimensions and significance of NEP 2020, inspiring students to engage deeply with its vision. Participants showcased

remarkable enthusiasm through discussions, quizzes, posters, and film-making activities. The event reaffirmed GTU's commitment to nurturing future-ready graduates by integrating education, innovation, and India's rich knowledge heritage.

Meeting with former Foreign Minister of Nigeria

Dignitaries visited:

- H.E. Mr. Geoffrey Onyeama, former Foreign Minister of Nigeria

Objective of Meeting: To collaborate with the University of Economics & Finance in advancing joint research, fostering internship programs, and driving initiatives in the FinTech and AI domains.

Meeting with CSR Head - TATA Consulting Engineers Ltd.

Dignitaries visited:

- Ms. Nidhi P. Mehandritta, Head- HR, CSR & Ethics, TATA Consulting Engineers Ltd.
- Mr. Biren R. Desai, Senior General Manager, TATA Consulting Engineers Ltd.

Objective of Meeting: During the meeting, discussed initiatives focused on the skill development of Diploma Engineering students and faculty members from various branches, including Mechanical, Electrical, Civil, Instrumentation & Control, and Chemical Engineering. It was proposed that TATA Consulting Engineers Ltd. (TCE) will provide training programs free of cost to both students and faculty, as part of its CSR initiative. The discussion also included potential collaboration to offer Elective courses and Minor/Honours programs in partnership with TCE. Additionally, considering TCE's existing collaboration with Bentley, the possibility of integrating Bentley's tools and software into the training modules was explored. TCE will further examine how these resources can be aligned with the academic curriculum to support industry-relevant learning outcomes.

Meeting with Intel AI manufacturing

Dignitaries visited:

- Mr. Anshul Sonak – Head & Global Director, Intel Digital Readiness Programs
- Ms. Shweta Khurana – Sr. Director, Asia Pacific & Japan, Government Partnerships & Initiatives, Intel
- Ms. Saloni Singhal – Program Manager, Government Partnerships & Initiatives, Intel

Objective of Meeting: To highlight the program's impact and deliberate on expanding its integration within GTU's academic ecosystem and the manufacturing industry.

August 19, 2025 Visit of the France Delegation

Dignitaries visited:

- Dr. Philippe Maurin, Attaché for University and Scientific Cooperation at the French Consulate, Mumbai
- Sujit Nair, Manager - Campus France, Ahmedabad, Embassy of France in India

Objective of Meeting: To foster intercultural exchange and enhance opportunities for higher education collaborations, the delegation presented a PPT to management students about studying in France.

August 22, 2025

Visit of the Taiwan Delegation

Dignitaries visited:

- Ms. Lee Yi-Yun, Program Manager, Taiwan Education Center, National Tsing Hua University
- Ms. Natalie Yang, Program Manager, Program Office for Taiwan, Education center in India at National Tsing Hua University

Objective of Meeting: To discuss various forms of collaborative partnerships with GTU, as part of NTHUs initiative to build global academic and research relationships.

Academic initiatives and activities

Workshop on D.Pharm University Theory Examination Paper Setting Guidelines for Diploma Pharmacy

GTU organized a Workshop on Theory Examination Paper Setting Guidelines for Diploma Pharmacy on 13th August 2025 to enhance quality, fairness, and uniformity in question paper design. The program saw active participation from 35 faculty members representing 16 institutes across Gujarat. Senior academic leaders, including the Dean and Associate Deans of the Faculty of Pharmacy, provided valuable guidance on best practices in paper setting. The keynote session offered practical insights on syllabus weightage, Bloom's Taxonomy alignment, and structured preparation of question papers. This initiative reinforced GTU's commitment to strengthening academic integrity and excellence in its examination system.

Personality Development Training Camp 2025

Gujarat Technological University organized a four-day residential Personality Development Training Camp at Shri Somnath Sanskrit University, Veraval, held from 19th to 22nd August 2025. A total of 76 students (43 boys and 33 girls) from GTU-affiliated institutes actively participated in the program. The camp was part of GTU's initiatives aimed at promoting the holistic development of students. Participants received training in key areas such as public speaking, confidence building, communication skills, and developing a humanitarian outlook.

Session on Applied Artificial Intelligence in University Administration

The session on Applied Artificial Intelligence in University Administration, held on 22-08-2025 and delivered by speaker Dr. Keyur Darji (Deputy Registrar, GTU), highlighted the role of AI in improving admissions, student support, and automated evaluation processes. He emphasized that while AI enhances efficiency and supports data-driven decisions, its use must be ethically governed and regularly reviewed to align with academic values.

AI in University Education and AI Enabled Education Services

GTU-Information Technology Section organized a series on Applied Artificial Intelligence in University Administration to strengthen technology integration and provide practical exposure to emerging AI tools. The sessions highlighted how AI is transforming higher education through personalized learning, automated assessments, intelligent tutoring, and data-driven decision-making. With platforms like ChatGPT, Gemini, Claude, and Duolingo, AI enables adaptive learning and improved accessibility, paving the way for smarter and future-ready universities.

FDP on AI Model Development Multi-Agent Systems and Enterprise Applications

Gujarat Technological University's Research and Development Cell organized a 3-Day Faculty Development Program on “AI Model Development, Multi-Agent Systems, and Enterprise Applications” from 9th to 11th September 2025 at the Chandkheda Campus. The program witnessed enthusiastic participation from 75 faculty members across various institutes. Led by experienced instructors certified by NVIDIA, the program offered practical training in creating AI models, improving them, learning in groups, and using them in businesses, helping teachers gain advanced skills for better teaching and research.

The AI-Enhanced University a Strategic Guide for Administrators

On 12th September 2025, at GTU Chandkheda Campus, Mr. Dhaval Deshkar from Rashtriya Raksha University emphasized that Artificial Intelligence is reshaping higher education by enhancing teaching, learning, and administrative efficiency. He highlighted the importance of strategic and ethical adoption of AI to align with institutional goals and uphold academic integrity. He noted that AI should complement, rather than replace, human expertise. He further stated that future AI-enabled universities will leverage intelligent systems to foster inclusion, empower educators and students, and promote sustainable, ethical innovation across all academic functions.

Using AI in Everyday work

A series on Applied Artificial Intelligence in University Administration, organized under the GTU-IT Section, focused on the use of AI to streamline administrative and academic processes. The session highlighted how AI tools automate routine tasks such as meeting scheduling, email management, data entry, and document summarization. It also showcased how AI enhances collaboration through real-time transcription, translation, and chatbot-based support. In addition, the use of AI in creative work—such as graphic design, writing, and multimedia editing—was demonstrated. The series emphasized that AI is reshaping the modern workplace by boosting efficiency, creativity, and data-driven decision-making, and that adopting AI responsibly is essential for remaining competitive in the digital era.

AI at work Unlocking New Levels Efficiency

The Vidushi Gargi Centre for Women Development Cell (WDC) at Gujarat Technological University (GTU) organized an expert talk on “AI at Work: Unlocking New Levels of Efficiency” on 26th September 2025 at GTU's Chandkheda Campus. The expert speaker, Ms. Vani Chakraborty, a Microsoft Certified Trainer, delivered an engaging session on Generative AI, covering prompt techniques, AI writing tools, and workflow automation. Participants gained hands-on experience through live demos and also received free access to Microsoft Azure AI learning courses.

Research Initiatives, Outcomes and Activities

National Level Poster Competition on AI Powered Research and Innovation

Gujarat Technological University (GTU) organized a two-day National Level Poster Competition on “AI-Powered Research and Innovation” on 19th – 20th September 2025, commemorating AICTE's declaration of 2025 as the Year of Artificial Intelligence. Coordinated by the R&D Cell in collaboration with GTU-Venture and GTU-IPFC, the event received 295 entries from 32 institutes, with 106 posters shortlisted across Management, Engineering, Pharmacy, and Science disciplines. The event concluded with awards for outstanding posters and reflected GTU's commitment to promoting AI-driven research, innovation, and interdisciplinary collaboration.

Christ Polytechnic Institute, Rajkot

Workshop on “LinkedIn Profile Development & Networking”

A hands-on workshop focused on enhancing LinkedIn skills for professional growth. Participants learned how to track connections, manage profile engagement, and understand LinkedIn analytics through live demonstrations, including real-time insights from the trainer's profile. The session covered key areas such as profile development, content creation strategies, and effective networking techniques. The workshop equipped attendees with practical tools to build a strong online presence and leverage LinkedIn for long-term career advancement.

Faculty Development Program on “The Art of Visualization”

Christ Polytechnic Institute organized an FDP at Christ College on 19th July 2025, featuring an inspiring session by motivational speaker Mr. Bhaumik Bhatt on “The Art of Visualization.” The session highlighted visualization techniques and goal setting across physical, mental, social, and spiritual dimensions. Participants engaged in practical exercises to understand how mental imagery supports achieving success. The FDP empowered 27 faculty members with clarity, motivation, and actionable strategies for holistic personal and professional growth.

Maktabah Jafariyah School of Management

Faculty Development Programme (FDP) on “AI in Research”

Our faculty members attended a Faculty Development Programme on “AI in Research” held from 28th July to 1st August 2025. A total of 8 faculty members from our institute participated in this FDP, gaining valuable insights into the application of Artificial Intelligence in academic research and data-driven methodologies.

BizThon 2025 – “A Marathon of Business Innovation”

Maktabah Jafariyah School of Management successfully organised BizThon 2025, a dynamic Business Plan Competition designed to encourage innovation, entrepreneurship, and interdisciplinary collaboration among students

VVP Engniring College

A seminar on “Global Development through Renewable Energy to Empower the Future” was organized at V.V.P. College, featuring Dr. Triptaben Thakur (Director General, NPTI) and MLA Dr. Darshitaben Shah as key speakers. Dr. Thakur emphasized the urgent need to curb rising CO₂ emissions and explained how renewable energy—especially hydrogen and nuclear technologies—can significantly reduce carbon output. She highlighted India's low per-capita electricity consumption (1200 kW compared to 14,000 kW in developed countries) and the nation's commitment to NET 2070 goals. Dr. Darshitaben Shah encouraged students to adopt renewable practices, citing local examples like the Seoni water scheme. A live renewable-energy demo by ALTAVOLT showcased real-time electricity generation, inspiring students toward sustainable innovation.

Saraswati Institute of Pharmaceutical Sciences

The NSS Unit led a tree plantation drive on 4th July to promote environmental awareness.

World Population Day on 11th July featured essay and drawing competitions, raising awareness on overpopulation and sustainability.

Kargil Vijay Divas on 25th July included speeches, patriotic plays, and cultural programs, fostering national pride and unity.

In-house faculty training on 26th July enhanced teaching methods, paper setting as per Bloom's Taxonomy, and Excel-based attendance management.

A session on Industrial Opportunities and Chromatography was organized on 28th July for 70 students, highlighting career prospects in the Pharmaceutical field.

The HPLC Training Program on 2nd August strengthened faculty skills in operation, maintenance, and GLP compliance.

GTU - SMS BBA Abhigam - 2025

“Abhigam 2025,” an orientation programme for BBA Batch 2025–29, was held on 8th July 2025 at GTU School of Management Studies, Ahmedabad. The event, inaugurated with lamp lighting and Saraswati Vandana, featured addresses by Dr. Pankajray Patel, Dr. Kaushal Bhatt, Dr. Karishnaba Vaghela, and Dr. Neela Multani. Distinguished guests Shri Naresh J. Bhatt (ISRO) and Mr. Ravi Varmora (UNIVIA CEO) shared motivational insights. The

programme acquainted students and parents with the BBA curriculum and institutional ethos. With 153 attendees, it successfully created an inspiring and welcoming start to their academic journey.

14th Blood Donation Camp

“Every drop of blood is a breath of life for someone — donate blood, save lives.”

A Blood Donation Camp was organized at Raj Bhavan, Gandhinagar, to commemorate the birthday of the Hon'ble Lady Governor, Smt. Darshana Devi. To mark this special occasion, 60 participants - including NSS volunteers, students from PG Schools, and staff members - generously donated blood, contributing to this noble cause and playing a vital role in the success of the initiative.

India Sustainability Startathon 2025 Bootcamp

The India Sustainability Startathon 2025 Bootcamp, organized by GTU Ventures and The Future Founders Co., was held on 16th & 17th July 2025 at Acharya Chanakya Hall, GTU School of Management Studies, Chandkheda, and Ahmedabad. A total of 70 students participated in the two-day program focused on climate

innovation and sustainable problem-solving. Expert speakers introduced global opportunities, funding avenues, and entrepreneurial skills. Students worked on problem immersion, idea validation, and solution development through guided activities. The event concluded with an SSIP session highlighting funding support up to ₹2.5 Lakhs for student innovators.

Induction Program 2025 for first year Students of GTU - SAST

Roundtable conference "Brainstorming session on setting up of Quantum Labs in various institutes"

In alignment with the National Quantum Mission (NQM), universities across Gujarat plan to introduce structured UG/PG programmes in Quantum Technologies, offering Majors, Minors, and Micro-courses as per AICTE's 18-credit framework covering all four verticals—Quantum Computing, Communication, Sensing, and Materials. The roundtable emphasized a nationally standardized curriculum, integration of theory, lab, and project-based learning, and the need for FDPs to strengthen teaching capacity, with GTU designated as the nodal agency in collaboration with IIT-Gn, BIS, and GUJCOST. Universities such as PDPU, Nirma, IIT-RAM, KSV, and Raksha Shakti University shared their ongoing initiatives in quantum education. The discussions also highlighted establishing shared quantum labs, CoEs, and industry linkages with BIS, DRDO, ISRO, CDAC, and IBM for internships and research collaborations. The forum concluded that quantum technology is vital for India's scientific future, requiring collective national efforts for rapid capacity building and innovation.

Innovate 2 Impact: Innovation Showcase

The Innovate 2 Impact: Innovation Showcase was held on 1st August 2025 at Acharya Chanakya Hall, GSMS, GTU. The event received 42 applications, out of which 23 prototypes were shortlisted and evaluated by an expert jury. A total of 56 attendees and over 100 school visitors participated, exploring innovative projects across HealthTech, AgriTech, CleanTech, AI, and more. Winners were recognized for outstanding prototypes, including solutions in electronics, healthcare, nutrition,

and mining safety. The event strengthened GTU's innovation ecosystem by encouraging student creativity and supporting ideas toward commercialization.

One-Day Training Session on "Physical Assessment and Fitness Test"

The GTU NSS Cell organized a one-day training session on "Physical Assessment and Fitness Test" on 2nd August 2025 for selected NSS Programme Officers. The session was conducted by Dr. Vikas Vikash Agarwal, who delivered an insightful talk on the importance of health and explained key fitness parameters, including BMI, muscular strength, endurance, flexibility, static balance, and cardiorespiratory endurance. A total of 30 Programme Officers participated and gained valuable knowledge on physical assessment and fitness evaluation.

FAT to FIT – Beat Obesity Reboot Your Lifestyle

The GTU NSS Cell organized a seminar on “Fat to Fit – Beat Obesity, Reboot Your Lifestyle!” on 4th August 2025 at Gujarat Technological University, Ahmedabad. The session was conducted by Dr. Hiral Prajapati, a renowned Holistic Nutrition Coach, who shared valuable insights on balanced nutrition, regular exercise, and mindful lifestyle habits. The program aimed to spread awareness about obesity and encourage healthy living among university staff. The session saw enthusiastic participation, with staff members engaging actively and appreciating the practical guidance provided.

GTU - SMS MBA Abhigam - 2025

Chintan Shibir-2025

Gujarat Technological University (GTU) organized Chintan Shibir 2025 on 07th August 2025 at A-2 Hall, Chandkheda Campus, Ahmedabad, with the objective of promoting sports awareness and

increasing student participation in sports and cultural activities. The event witnessed the active involvement of 100+ Sports and Cultural Coordinators from GTU-affiliated colleges across Gujarat. The session was graced by esteemed dignitaries from GTU, who inspired and motivated the coordinators. The program successfully fostered collaboration, idea-sharing, and enhanced coordination among participants.

Online Orientation Program for First Semester Students

Gujarat Technological University organized an Online Orientation Program for first-semester students of A.Y. 2025-26 on 7th August 2025, with participation from over 250 institutes. The program featured addresses by the Registrar, Vice Chancellor, and Guest of Honour, focusing on academic guidance, digital innovation, and industry alignment. Technical sessions covered topics such as NEP 2020, innovation and startups, skill development, internships, GTU's digital initiatives, and student support services. GTU students also shared their experiences, motivating the newcomers and helping them embark on their academic journey with clarity and inspiration.

भारत तीर्थ व्याख्यान "भारतीय ज्ञान परंपरा का तकनीकी शिक्षा में समावेश"

Dharohar – Bharatiya Gyan Parampara Kendra, GTU, successfully organized the 12th lecture of the Bharat Tirth Lecture Series on 14th August 2025. The lecture, delivered by Dr. Atul Kothari, National Secretary, Shiksha Sanskriti Utthan Nyas, focused on “Integration of Indian Knowledge Tradition in Technical Education”, highlighting the

importance of blending India's traditional wisdom with modern technical learning. The event was graced by Hon'ble Vice-Chancellor Dr. Rajul K. Gajjar, whose guidance motivated faculty, staff, and participants. The session concluded with an engaging interaction, providing valuable insights on harmonizing Indian knowledge systems with contemporary education.

Independence Day Celebration

Gujarat Technological University (GTU) celebrated the 79th Independence Day at its Chandkheda campus with patriotism and enthusiasm. The program included National Flag hoisting, Bharat Mata Poojan, and the National Anthem. Hon'ble Chief Guest Dr. Atul Kothari and Vice-Chancellor Dr. Rajul K. Gajjar addressed the gathering, emphasizing freedom, responsibility, and national development. The event also marked the launch of the Fit India Movement poster, gift distribution to children, and the presence of Registrar Dr. K. N. Kher added to the significance of the celebration.

GTU Registrar Applauds GP-Ahmedabad for Pioneering NCC General Elective Credit Course

The Registrar of GTU appreciated the NCC Officers and Cadets of Government Polytechnic Ahmedabad for becoming the first institute under GTU to implement the NCC General Elective Credit Course as per NEP 2020. This milestone, achieved in 2025, makes GTU the first university in Gujarat to offer this course, reflecting its commitment to holistic education, discipline, and leadership development. Special recognition was also extended to the NCC officials and brigadier for their continuous support in successful implementation.

Music Training Camp

Gujarat Technological University organized a seven-day Residential Music Training Camp at Shri Somnath Sanskrit University, Veraval, from 22nd to 28th August 2025. A total of 43 students (27 boys and 16 girls) enthusiastically participated in the camp. The Music Training Camp proved highly beneficial, enhancing students' creativity, improving concentration and listening skills, and boosting their self-confidence, thereby contributing to their overall personality development.

Elocution Competition, Journal Club, and Sangeet Spardha

Folk Dance Training Camp

Gujarat Technological University organized a seven-day Residential Folk Dance Training Camp at Shri Somnath Sanskrit University, Veraval, from 1st to 7th September 2025. A total of 55 students (18 boys and 27 girls) enthusiastically participated in the camp. The Folk Dance Training Camp proved highly beneficial, helping students connect with cultural heritage, improve rhythm, coordination, and physical fitness, and strengthen teamwork and discipline.

Online Address by the Hon'ble Vice Chancellor to Principals, Directors, and Research Supervisors

An online meeting of Principals, Directors, and Research Supervisors of GTU Schools and affiliated colleges was held on 2nd September 2025 at GTU Chandkheda Campus, chaired by the Hon'ble Vice Chancellor. The session highlighted GTU's advanced research infrastructure, 24/7 facilities, and MoUs with organizations like ISRO, IPR, PRL, and CSMCRI to strengthen industry-academia linkages.

The GTU Central Library and its digital resources under the One Nation, One Subscription initiative were also emphasized. Updates on the National Level Poster Competition on AI (19–20 September 2025) and the International Conference on Frontiers of Engineering in Healthcare (FEH-2025, 10–12 December 2025) were shared.

7th Tech Guru Award Ceremony

Gujarat Technological University consecutively organized 7th Tech - Guru Award Ceremony on the auspicious occasion of Teachers Day which was inaugurated by Distinguished Guest Ms. Anuja Piplapure, BoG Member and Dr. S. P. Singh, Director General, KAUSHALYA: The Skill University, along with Hon'ble Vice Chancellor Dr. Rajul Gajjar, and Registrar, Dr. K.N. Kher, GTU. Addresses were delivered by Ms. Anuja Piplapure, BoG Member, GTU and Project Manager, iGuru Software Services Pvt. Ltd. and Dr. S. P. Singh, Director General, Kaushalya: The Skill University, both of whom highlighted the invaluable role of teachers in shaping society and guiding students' futures.

Eight distinguished faculty members were honoured with the Tech-Guru Award under three experience categories: 0–10 years, 11–20 years, and above 20 years. On this occasion, University also felicitated Principal & Professor of Degree College and Principal & Head of Department of Diploma College who retired in the regular mode in last academic year.

Drama Training Camp

Gujarat Technological University organized a five-day Residential Drama Training Camp at Shri Somnath Sanskrit University, Veraval, from 7th to 13th September 2025. A total of 46 students (28 boys and 18 girls) enthusiastically participated in the camp. The training proved highly beneficial, helping students enhance their acting and stage presentation skills, improve public speaking and confidence, and develop teamwork and creativity. The camp also provided a valuable platform for exploring expression and communication, contributing significantly to the participants' overall personality development.

World Suicide Prevention Day Awareness Session by SAMVAD

Samvad – The Happiness Center organized a Suicide Prevention Awareness Session titled “You Matter” on 9th September 2025 at B-0 Hall, GTU Admin Building, in collaboration with Jeevan Aastha, Gujarat Police. Expert speakers discussed emotional distress, mental health support, and the importance of seeking timely help. Over 200 students participated in interactive discussions and received resource materials and helpline information. The session effectively promoted mental health awareness and reinforced the message of self-worth and community support on campus.

Career Fair in collaboration with TATA Consulting Engineers

TATA Consulting Engineers Ltd, under their CSR initiative Project UTKARS, has organized a Career Fair in collaboration with GTU to provide one-month training in design for Diploma Engineering graduates.

Bharat Maha EV Rally

The Bharat Maha EV Rally, which commenced from Delhi on 9th September 2025, is on a remarkable 100-day, 21,000 km journey across various states of India. On 16th September 2025, the rally proudly reached Gujarat Technological University (GTU), Chandkheda campus. An awareness session was organized for students, highlighting the importance of sustainable transportation and electric mobility. 120+ students participated actively in the awareness session and flag-off ceremony. Enthusiastic engagement from students, faculty members, and innovators.

Pre-State NSS Day Celebration Selection Process

The GTU NSS Cell organized the Pre-State NSS Day Celebration Selection Process on 19th September 2025 at the GTU Campus, where over 120 NSS volunteers participated in various competitions with great enthusiasm. From these, 30 volunteers were selected to represent GTU at the State NSS Day Celebration hosted by Sardar Patel University, Vallabh Vidyanagar. GTU volunteers performed exceptionally well at the

State event held from 22nd to 24th September 2025, securing three prizes. Ms. Madhavi Soni won 1st Rank in Rangoli, Mr. Jay A. Barot secured 2nd Rank in Instrumental Music, and Ms. Nidhi Solanki achieved 3rd Rank in Solo Song. Their dedication and spirited participation brought pride to the GTU NSS family.

Echoes of Healing Unlocking Traditional Knowledge in Regional Scripts

Gujarat Technological University (GTU), Ahmedabad, organized the national conference “Echoes of Healing: Unlocking Traditional Knowledge in Regional Scripts” under the Dharohar initiative, in collaboration with AICTE-IKS. The conference saw the participation of 184 students and researchers from 30+ institutions, along with 158 registered poster presentations. As the chief guest, Dr. Vishwajannani Jitendra Sattigeri, Director – TKDL, emphasized the importance of preserving traditional medicinal systems. Dr. Mukesh Nariya, Head – Pharmacology, ITRA, highlighted the clinical relevance of Ayurvedic medicines and the need to link traditional knowledge with modern research. Awards were presented to the best poster entries.

GTU Thanganat Garba Mahotsav - 2025

Gujarat Technological University (GTU) organized the GTU Thanganat Garba Utsav – 2025 on 26th September 2025 at the GTU Chandkheda Campus, celebrating Navratri with great enthusiasm. The event saw active participation from GTU staff, students, and their family members, creating a vibrant atmosphere of traditional Garba. Organized by the Department of Sports, Youth Affairs & Cultural Activities, the program encouraged community involvement and festive spirit. Attractive prizes were awarded in categories such as Best Performer (Male/Female), Well Dressed (Male/Female), Kids Category, and GTU PG Students. The celebration was filled with joy, music, and cultural unity, reflecting GTU's lively festive spirit.

YOUTH FEST

જીટીયુના ઈન્ટર ઓન યુથ ફેસ્ટિવલમાં પદ્મશ્રી તુષાર શુક્લાએ કહ્યું

હાર સ્પીકારવાની કળા સ્પોર્ટ્સમેનશિપ દ્વારા શીખો

અમદાવાદ: 'એન્જિનિયરિંગના સ્ટુડન્ટ્સ માટે યુથ ફેસ્ટિવલનું આયોજન થાય તે ખાસ છે. હાલ મોટાભાગના ક્રિયેટિવ ક્ષેત્રમાં એન્જિનિયરિંગના વિદ્યાર્થીઓ જોવા મળે છે. તમને જેમાં રસ હોય તેમાં સકળ થાઓ. તે ખૂબ સારી વાત છે પણ જે તેમાં અસકળ થાઓ તો નિરાશ થવાની જરૂર નથી. જેની પાસે જે છે તે વિશિષ્ટ જ હોય છે.

સ્પર્ધામાં વિજેતા થવા માટે મહેનત ચૂકવવી પડે છે. પણ કોઈ સ્પર્ધામાં ભાગ લો તેનો આનંદ તો લેવો જ જોઈએ. સ્પર્ધામાં ખેલવાની ક્ષમતા જ જોઈએ અને ખેલવાની જીવનભર કામ લાગે છે. તેવી રીતે

હારવાની દેવ પણ જીવનમાં કામ લાગે છે. જીવનના દરેક ક્ષેત્રમાં ખેલવાની કળાને કેળવવી જોઈએ. જેનાથી તમે ભવિષ્યને સુધારવાની તક મેળવી શકશો. આ શબ્દો છે પદ્મશ્રી કવિ તુષાર શુક્લાના. જેમણે જીટીયુમાં શરૂ થયેલ ઈન્ટર ઓન યુથ ફેસ્ટિવલના સમારંભમાં વિદ્યાર્થીઓને સંબોધ્યા હતા. ગુજરાત ટેકનોલોજીકલ યુનિવર્સિટીમાં 13મો ઈન્ટર ઓન યુથ ફેસ્ટિવલ-એકત્વ શરૂ થયો છે. જેમાં મુખ્ય પાંચ કેટેગરી ડાન્સ, થિયેટર, લિટરેચર, મ્યુઝિક અને કાર્ટૂન આર્ટ્સ ક્ષેત્રની વિવિધ સ્પર્ધાઓનું આયોજન કરવામાં આવ્યું હતું.

59 કોલેજના 900થી વધારે વિદ્યાર્થીએ ભાગ લીધો

એકત્વ યુથ ફેસ્ટમાં 26 ઈમેન્ડેસ યોજાઈ રહી છે જેમાં 59 કોલેજ ભાગ લઈ રહી છે અને 900થી વધારે પાર્ટિસિપેન્ડ્સ ઉપસ્થિત રહ્યાં છે. યુથ ફેસ્ટના પહેલાં દિવસે ઈનોવેશન બાદ લાઈટ વોલ, ઈન્ડિયન યુપ સોંગ, ક્વીઝ, ક્લાસિકલ ઈન્સ્ટ્રુમેન્ટ સોલો, કાર્ટૂનિંગ યોજાશે.
