Announcement of International Experience Program (IEP) 2020

at

University of Wismar, Germany

for

**BE (Electronics & Communication, Electronics and Telecommunication,
Electronics Engineering, Electrical Engineering, & Electrical & Electronics
Engineering)**

International Experience Program abbreviated as IEP is a step forward from GTU in the direction of becoming an “**International Innovative University**”. The program was initiated in 2011. Currently IEP is one of the largest student mobility programs offered by the technological universities of India. Since the inception of the program, more than 2200 students have been benefited through IEP.

Recently, GTU won the prestigious award for IEP under the category of “Innovation in Global Collaborative Learning” at 13th World Education Summit 2018, Mumbai on 8th December 2018.

Under this program, students study **two subjects** of their final year at the foreign university. Students also appear in internal examination, continuous evaluation and external examination conducted by the foreign professors at foreign university. If student achieves the passing grades in the exams, he/she will be given the waiver for appearing in the internal and external examination of GTU for respective subjects. Apart from the above-mentioned subject-learning experience, students also prepare the projects and case studies as decided by the foreign professors. They also visit the companies to enhance their understanding on the work culture of the foreign country in their respective fields. Once the program is over the students come back and join their parent college and finish their final year.

GTU is inviting application from interested and eligible students for IEP - 2020 at Wismar University, Germany.
