World Environment Day Celebration on 5th June, 2019

World Environment Day is the "**People's Day**" who celebrate with little contribution by organizing any means of the programs to take care of the "**Mother Earth**".

Each World Environment Day is organized around a theme that draws attention to a particularly pressing environmental concern. The theme for 2019 is "**Air pollution**".

On this occasion, Gujarat Technological University is informing all the GTU affiliated colleges to organize awareness seminar related to "**Tree Plantation**" and suggesting every institute to plant of at least 25 trees to your respective institute or nearby areas and take plant with the feeding the water. In this means, we truly contribute to celebrate world environment day.
