ELEMENTS OF EMOTION

Capturing the soft, romantic elegance of a bygone era, Elements of Emotion is a reflection of all the passionate affections that have culminated to this special moment. A march-in to remember as elaborate blooms on delicate wedding plinths line the aisle with a Victorian-era colour palette of forest green, salmon pink and orange hues; perfectly complemented by the soft romantic glow from candle-filled lanterns which lend an old-world charm for your modern celebration. Say "I do" in the sweet embrace of the circle-of-love wedding arch, which aptly symbolises your union, always and forever.
