Wine Pops

Served either with Moscato/ white wine/ sparkling grape juice (non alcoholic), we no longer serve it with Prosecco because we have gathered feedback that the bubbly-ness of the wine will be lost very fast.

Costing will be at **\$15 per glass**. We are able to customize whichever colors/flavors you would be looking at.

The popsicles sticks can be customized with a maximum of two logos, front & back. Customization will be at \$100/logo or image, this will be a one time fee, the logos can be reused for other events.
