About Hero's

Hero's is the latest in a long line of one-of-a-kind F&B concepts established by international hospitality company the Mogambo Asia Group. The sprawling 2,500sq ft. venue, located in a prime spot on Circular Road behind the bustling Boat Quay, brings a taste of the Wild West to its patrons, with live music on six nights a week and the biggest sporting events screened live.

This unique nightlife destination is a world-class venue that showcases the vibrancy of the Singapore scene and provides the ideal ambience for events of varying scales. Whether it's an exclusive corporate function for 200, or a private birthday celebration for 10, Hero's offers a multitude of options for every occasion.

Beer aficionados will enjoy the venue's one-of-a-kind VIP area, where self-serve beer-taps are built into luxurious booths and guests can pour their own pints of ice-cold draught beer.

The kitchen is helmed by home-grown restaurant Foodcoholic, which offers a mouth-watering selection of Indian and Western cuisine. Or choose from one of our trusted catering menus, which can be tailored to suit your event requirements. Site visits are available at your convenience.

Get in touch with our team to discuss your function and allow us to take the stress out of event-planning for you.
