ABOUT

Capturing light, in love with beauty around us. Being sensitive, because we are surrounded by sensitive people. Being cheerful, because we are lucky to be part of such a special, unforgettable day. Being professional, always, because we have 9 years of experience as wedding photographers. Being in the right place at the right moment, not to lose a photograph. Being creative. That's who we are at weddings. That's why you should trust us. We will do our job and more, you will enjoy your day.

Thank you for appreciating our work! We have been professional wedding photographers for 9 years. We are based in Italy, in the Milan area, but we love travelling for our brides and grooms. Documentary and fine art photography, a reportage of your special day, a particular attention also to all the details and to your family and friends. Love is all we need!
