FLORAL ARTISTRY

Elly Floral Artistry is a boutique floral design and event styling company in Singapore, creating classic and exquisite visuals with fresh flowers.

Founded by Izyan, a dedicated thespian and poised designer with a keen eye for composition and unwavering attention to detail, she is the definite go-to person when it comes to designing with flowers.

Currently, Izyan is the chief stylist, florist, designer and multi-tasker in the company. Izyan has travelled and attended a Master Class with international floral designer Karen Tran, where she extensively explored and mastered the art of designing luxurious table landscapes and structures with fresh flowers.
