

The 4th National Ocean Optics Summit Forum

Date: October 18-20, 2020

Venue: Hangzhou

Call for Papers

Website: https://b2b.csoe.org.cn/meeting/Ocean_Optics2020.html

Background

Hosts:

Chinese Society for Optical Engineering (CSOE)

Zhejiang University

Organizers:

College of Optical Science and Engineering, Zhejiang University / The
National Engineering Research Center of Optical Instruments

Second Institute of Oceanography, MNR / State Key Laboratory of Satellite
Ocean Environment Dynamics (SOED)

Division of Ocean Optics, Chinese Society for Optical Engineering
Tianjin University

Co-organizers:

Qingdao National Laboratory for Marine Science & Technology

National Satellite Ocean Application Service

Xian Institute of Optics and Precision Mechanics, CAS

Shanghai Institute of Optics and Fine Mechanics, CAS

Institute of Semiconductors, CAS

Ocean University of China

Xiamen University

Nanchang Hangkong University

Northwestern Polytechnical University

Deep Sea Research Institute, Westlake University

Tsinghua Shenzhen International Graduate School

Institute of Marine Science and Technology, Shandong University

Ocean College, Zhejiang University

School of Earth Sciences, Zhejiang University

Research Institute of Zhejiang University, Ningbo
Shaanxi Ocean Optics Key Laboratory (under incorporation)
Xian Lanyu Optoelectronic Technology Co.,Ltd 西安蓝宇光电科技有限公司
