**Now open, Mira Moon announces up to 20% off introductory offer and a collection of *Moon Services* to delight the well-connected, well-heeled and design-savvy traveler.**

**Hong Kong, 27 November 2013** – Opened on November 1 2013, reservations are now open at Mira Moon with a special introductory rate starting from only HK \$2,080 per room per night (excluding service charge). Offering 20% off the hotel's Best Available Rates, the rate includes access to Mira Moon's creative *Moon Services*. From exclusive ladies' and gentlemen's floors and bespoke Cocktail Chests by Grey Goose, to guestroom closet boutiques and pre-loaded apps on in-room iPad mini's, Mira Moon's *Moon Services* have been created with customer needs and emerging market trends in mind.

### **Guestroom *Moon Services***

Mira Moon's journey of *Moon Services* begins in guestrooms with "shake your own" Cocktail Chests, *His and Hers* bathroom amenities and the *Boutique on the Moon* concept. *Boutique on the Moon* invites guests to purchase the hotel's distinctive style for their own homes and wardrobes – whether it be pieces of Mira Moon furniture by international designers, locally-designed accessories, or the Mira Moon chinoiserie fashion collection by Hong Kong designer Grace Choi – all of which are stylishly displayed in selected guest closets and rooms. Beyond the wardrobe and upon entering the rooms' spacious bathrooms, Mira Moon has created a selection of *His and Hers* bespoke toiletries with gender-centric fragrances and packaging. For *Her*, rich China red packaging houses moisturizing lotions and potions with a tantalizing violet scent – a floral domination enriched with woody and musky accords to add depth and warmth. For *Him*, slick black bottles encapsulate the masculine; introducing a modern take on the classic tabak fragrance with fresh notes of fougère and citrus complementing the tobacco base.

During their stay, guests are invited to enjoy the complimentary mini bar and in-room Cocktail Chest, a bespoke design collaboration between Mira Moon and Grey Goose. The exterior of the specially designed petite chest is designed to echo the Hotel's Asian heritage, using traditional hardwood and decorated with brass hinges, lock plates and lock pins. When opened, the chest's lining is the color of Grey Goose's signature bright blue hue and inside a cocktail shaker with two Grey Goose-branded martini glasses are revealed, flanked on either side by miniature bottles of Grey Goose. Hotel guests

are invited to make use of a seasonal in-room cocktail recipe to shake their own concoctions, blending Grey Goose vodka with a selection of traditional Hong Kong non-alcoholic drinks from the complimentary minibar such as Arizona Green Tea and Vitasoy Soya Bean Milk. The minibar also features a selection of traditional Chinese sweets including the ultimate favorite, Dragon Beard Candy, a handmade cocoon of spun sugar whose threaded texture melts in the mouth to reveal a chewy layer and crunchy center.
