Invest Academy

Invest Academy is a section catered for new investors.

It is a curation of all relevant and timeless articles
written by our community.

If you're new to investing, be sure to check this
section.

Invest Academy

The screenshot displays the Invest Academy web application. The top navigation bar includes a search bar with the placeholder text "Start to search for investment ideas now!", and links for Home, Store, Stocks, Charts, Watchlist, and Portfolio. A user profile for "demo" is shown in the top right corner. The left sidebar contains a user profile for "demo" with a reputation of 15, 13 followers, and 5 following. Below the profile are links for "My Purchases", "Who to follow?", "Explore", "Saved Posts", "Comments", "Invest Academy" (highlighted with a red box), and "InvestingNote Events". The main content area features a "Share Ideas" section with a text input field and a "Make a Market Estimation" section. A "Stock Calendar" table is visible on the right. A red box highlights a category menu with the following items: Investing101, Insightful Posts, Investing Strategies, Technical Analysis, The Economy, Psychology, and InvestingNote Tutorials. Below this menu, two posts are displayed. The first post is titled "The Beginner's Guide to Understanding The 3 Financial Statements" and is posted by "gingwien". The second post is titled "The Beginner's Guide to Understanding ETFs" and is also posted by "gingwien".

The Beginner's Guide to Understanding ETFs

ETFs are excellent vehicles for investors who want to spend little time monitoring their investments, yet want investment returns aligned with the markets. ETF investing in the long term will outpace inflation and fixed deposits; compounding wealth over
