## LED SMOKGÖZ

LED SMOKE & GAS ALARM

### NEW INNOVATION

# 6w

DAYLIGHT | 6500K

last up to 20 years

### Easy to install by replacement with an old light bulb ( Base E27 )

LED Smokgaz alert and warning you and your family far away from the danger of fire and gas. Once LED Smokgaz detect either smoke or gas, it will alarm and the light will turn on until that area is safe. General purpose for all risky areas such as kitchen, prayer room, etc.
