

LA IMMACULADA CONCEPCION SCHOOL
PRIMARY SCHOOL
GRADE 2 ARTS

MARCH 23-27, 2020

Topic: 2D -3D Crafts

Needed Materials:

- 2 pcs. Thin bamboo sticks or walis tingting
(Sizes: 12 inches and 9 inches)
- 2 pcs. papel de hapon (any color) or old newspaper
- glue or paste
- long sting (thick thread or nylon string)
- scissors

What to do:

1. Ask the help of an adult in making this craft.
2. Make a small cut at the end of each thin bamboo sticks.
3. Glue the 2 bamboo stick like a cross.
4. Bind them firmly with the string.
5. Put the string on the light cut of the bamboo stick, creating a diamond frame.
6. Glue this on the first papel de hapon or newspaper, once it dries cut the sides leaving an allowance of two inches.
7. Glue this to cover the diamond frame.
8. Make a tall using the second piece of papel de hapon or newspaper. Then glue it at the bottom of the kite.
9. Your trusted adult will make a hole at the bottom of the kite.
10. Put the string in it, and then make a tight knot.
