

LA IMMACULADA CONCEPCION SCHOOL

MIDDLE SCHOOL

GRADE 6 – MAPEH

March 30 – April 3, 2020

Activity 1

MUSIC: Classifying the different instruments of the orchestra. Choose from the box below. Write your answer on the correct heading.

Basson	Cello	Chimes	Clarinet
Double Bass	English Horn	Snare	Drum
Trumpet	Tuba	Violin	Xylophone

Strings	Woodwind	Brass	Percussion

Activity 2

ARTS: Appreciating the elements and principles applied in a product design. Think of the product that school children like your age needs. With your siblings, create a product design of it. Describe the use of your product and how you were able to make it attractive.

Activity 3

HEALTH: Essay
Explain what you should do in the following situations.

1. The Department of Trade and Industry released an advisory on fraudulent health products. Your older brother saw you reading it on line and told you to click the Close button since there are more important things to read on the internet.
2. The box of vitamin supplement states that it has "no approved therapeutic claims". You do not understand what it means.
