4. Record your song on your cellphone or maybe through a mobile video app like TikTok.

ARTS

 2. You may add decorations, lace, beads, or paint it with a unique design to personalize your mask.

- (You can also make it with your family as a bonding time or create one for each of your parents and siblings.)

REFLECTION:

Staying at home may be boring, but you can find a lot of things to do to survive boredom. One way of doing it is through music and arts. Make your time worthwhile by doing these activities. Stay safe.
