

2018 is a special year for Christ Evangelical Reformed Church (CERC) as we look back upon God's faithfulness over the past 10 years

We can't help but be thankful for the love and commitment that our members and regulars have poured into building CERC to ensure the word of God is faithfully taught and proclaimed in Malaysia!

Membership Batch N during one of their 10 lectures

The largest church membership batch to date

Early this year, we saw 83 people sign up for our membership course. They will study **Romans** and 'The Church' by Edmund Clowney, learning what it means to love, serve and persevere in the local church.

"I signed up for the membership course because through CERC's ministry, I understand what a life of following Jesus faithfully looks like - a commitment to love and serve our local church as a necessary response out of love for God and His Gospel."

"We are facing increasing difficulties in student ministry but there is still growth and a lot to do"

- Pr Robin Gan -

To date, we have 8 staff (*pictured left*) who serve the university ministries of 8 campuses and 1 high school by providing training and support in word ministry and leadership.

A Snapshot of Our Growth the Past Decade

Beginning in 2009

Sunday School opposite main hall

Our main hall

From 12 people gathered in a living room in 2008, CERC has now grown to 275 people. The ministry utilises 5 leased properties and continues to need floor space. Altogether, we have moved 3 times in 8 years. In January this year, we decided to rent the ground floor of our main hall. We have subsequently secured the lease at a rental of RM 4,500 monthly (where total monthly rental for all 3 floors of CERC Central is RM 11,500) with the renovation costs for the 1st phase amounting to RM 250,000. This will provide the church a range of ministry capacities including Growth Group space and crèche facilities as well as an overflow for Sundays of up to 200 seats. If possible, we would like to buy the building with the intent to save money in the long run.
