MindChamps Enters Joint Venture to Open Preschool in Sunsuria City

Singapore, 11 March 2021 – MindChamps is expanding its strategic footprint in Malaysia with a new preschool centre.

Located at Giverny Walk in the integrated township of Sunsuria City, the latest MindChamps PreSchool centre is 7,861square feet and provides premium preschool education to residents and the community. Children between the ages of 18 months and 6 years old will benefit from MindChamps' breakthrough research-based curriculum, including the unique '3-Minds' (the Champion Mind, the Learning Mind and the Creative Mind).

This MindChamps PreSchool centre is part of a joint venture between Victoria Education Sdn Bhd, MindChamps' master franchisee in Malaysia, and Sunsuria Arena Sdn Bhd, a wholly owned subsidiary of Sunsuria Berhad. Both companies will incorporate a joint-venture company – with 70% and 30% shareholding respectively – to establish and operate preschools under the MindChamps PreSchool Limited brand name.

According to Dato' Jeffrey Lai Jiun Jye, Managing Director of Victoria Education, "We were instinctively drawn towards MindChamps' breakthrough preschool curriculum and is Singaporean parents' number one choice in the competitive Singapore market. Hence, we are determined to bring the excellent education system into Malaysia."

"Education is the hallmark of a civilised and sustainable society. We are proud to offer one of the region's most recognised preschool brands in Sunsuria City, as we believe MindChamps equips young children with the right mindset and tools to stay curious and open-minded in this rapidly changing world," said Sunsuria's Executive Chairman Tan Sri Datuk Ter Leong Yap.

"MindChamps is the perfect fit to complete our education ecosystem at Sunsuria City, which comprises primary and secondary level schools, Year 7 to Year 13 schooling under Concord College Malaysia, as well as tertiary education via Xiamen University Malaysia. The partnership aligns well to Sunsuria City's 'Smart Liveable and Sustainable' value proposition, as we strive to provide customers with products and services of quality and excellence," said Tan Sri Datuk Ter.

Mr David Chiem, MindChamps' Founder CEO and Executive Chairman said, "We are excited about this partnership between Victoria Education and Sunsuria to build MindChamps Preschools. This partnership will enable us to nurture and teach the young minds of Malaysia to realise their fullest potential."
