CCLI Song No. 7066685

Healer of the broken  
Strength of my heart  
Refuge and my fortress  
Fill my eyes with all You are  
Lily of the valley  
Saviour and King  
Fairest of ten thousand  
Still my soul to hear Your voice

When all of You has captured all my heart  
And all I am is lost in who You are

Glorious and beautiful  
Marvellous and wonderful  
You alone are here to save right now

Hallelujah  
Hallelujah  
Hallelujah  
You are worthy

Save right now  
Save right now

You are here right now
