Surely as the dawn awakes  
Your love for me will never fade  
Relentless love pursued my soul  
Till condemnation lost its hold

No other works can qualify  
You paid in full salvation's price  
I'm given life by nail-scarred hands  
To worship You with all I am

You took my sin  
The just for the unjust  
You made me Yours  
Through Your redeeming blood

Conquered death, reversing every curse  
You broke the chains, You tore the veil  
Glorious King, the name above all names  
You paid in full, You rose to reign

Everything gained I count loss  
In the light of the cross  
Every demand made You paid  
With the stripes that You bore  
You are all I need  
You are all I need
