CCLI Song No. 7036234

You love me as I am
Chose me even when You knew
I was tainted by sin
Compassion so divine
Flowed from deep within Your heart
Mercy opened my eyes

To a love so strong, so deep, so wide
It embraced my soul but demanded Your life

Now holy hands I raise
My sins have been erased
I stand justified by Your grace
Accepted as Your own
An heir to heaven's throne
In awe, I am yielded and still

For a love so strong, so deep, so wide
Saw through my disgrace and has set me on high

I surrender, surrender my heart
To the greatness of Your love
I surrender, surrender my heart
To the fullness of Your grace
