CCLI Song No. 7036617

I will follow after You
As long as my soul lives
I will lift up my hands
Unto Thy name, O Lord
My mouth shall praise You
Because You have been my help
In the shadow of Your wings
Will I rejoice, my Lord
Your lovingkindness
Overwhelms my soul, O Lord
And I will bless You
I will love You all my life

I will meditate on You
In the darkest nights
Seek Your face, O my Lord
In the morning light
My soul longs for You
In a dry and thirsty land
In Your holy sanctuary
Will I behold Your face
Your loving right hand
Guides and covers all my ways
And I will love You
For You love me all my life

So let me give You glory
Pour my life upon Your feet
For Your grace and mercy
Is more than enough
More than enough
