

WONDERFUL (GRACE MADE REAL)

CCLI Song No. 7091761

Heaven come into this moment
Only in Your presence
Wasted hearts will come alive
Whisper love that words can't fathom
Break these walls of silence
You are singing o'er my life

O how wonderful Your love for me
O how beautiful Your grace unending
My heart cries for You, Jesus
And my heart cries out
I will ever sing Your praises
I will ever sing

Mercy found me in my failings
Take these shattered pieces
Mend them in Your nail-scarred hands
Freedom paid with arms wide open
All my sins forgiven
I am Yours forevermore

Take me higher
Draw me closer
Grace made real in every weakness
Jesus, I surrender
Take me higher
Draw me closer
Grace made real in every weakness
Jesus, I surrender
