Things to note

Temperature checks and health screening for all children at all our check-in counters.

Diaper changing will only be done if your child's diaper is soiled. Please pack his/her diaper mat, wet wipes and an extra change of clothes.

If we are unable to soothe your crying child for 15 minutes, we seek your understanding that you will be asked to come and pick your child up.

Milk feeding will be provided. You may pack warm water, formula and feeding bottle to make the formula feed.

If your child is on breastmilk, please pack the breastmilk into the feeding bottle. As our classroom is air-conditioned, do pack the bottle into a thermal bag so as to keep the breastmilk at normal room temperature suitable for feeding.

Please pack a spare pacifier, if applicable.
