CCLI Song No. 5302303

Verse

You are the truth, the light, the way
My trust is in the power of Your name
And in Your promises so true
It's not about all that I am
But all to do with who You are to me
And all that You have done

Chorus

You saved me 'cos You loved me
Your grace gave me the highest way
Now I live by Your life in me
I am found In You always
Lifting my voice to give You praise
To You and You alone
The Lord of all my days
