© 2008 New Creation Worship

CCLI Song No. 5400700

Verse 1

Saviour of the undeserving
You have beckoned me with love
You designed all heaven's glory
Yet You came, restored my worth

Verse 2

Majesty stripped of all honour
Man of sorrows on that tree
The God who fashioned nature's wonders
Yet You stooped to rescue me

Pre-Chorus

This is love, spoken through Your brokenness
This is grace, crowning me with righteousness

Chorus

You are the God who loves
You are the God who gives
Salvation, favour, victory as I stand and see
You are the God I love
You are the God I give
All honour, glory, adoration for eternity

End

All honour, glory, adoration for eternity
All honour, glory, adoration for eternity
