CCLI Song No. 5400762

Verse 1

You are the Word that heals
Restore the broken in heart
My comfort's found at Your cross
Your love has paid the cost

Verse 2

You are the One I praise
Your love's the anthem I raise
Through blood that flowed once for all
You broke the power of death

Verse 3

You are the Lamb of God
In You salvation is found
Let every tongue now confess
That Jesus, You are Lord

Chorus

Let everything within me, Lord
Lift up Your name forevermore
Saviour, You reign with grace and power
Your finished work has conquered all
