**NEW WORLD HOTELS & RESORTS PROPERTIES RECOGNISED
AS “THE BEST” FOR BUSINESS TRAVELLERS**

Deluxe New World Hotels & Resorts has recently been recognised in both consumer and trade media for its focus on providing both style and efficiency for business travellers, with hotels in Beijing, Dalian and Shanghai all gaining “best business hotel” accolades.

Offering sophisticated and practical accommodation, with Residence Club executive floors for additional exclusivity and service attention, and supported by creative event spaces and innovative dining options, the brand is well-equipped to meet the demands of today’s millennial-mindset business travellers. For their locations, New World Beijing Hotel was named “Best Business Hotel” by *TTG Asia*, China’s *Global Times* newspaper and *Life Element* lifestyle magazine, with New World Shanghai Hotel named “Best Business Hotel” by *Travel & Leisure* magazine while New World Dalian Hotel was awarded “China’s Best Business Hotel” by *MAG*, a premium trip magazine.

“Our hotels appeal to business travellers who increasingly demand both efficiency and style – hotels that know how to help them get their work done while on the road, but also offer up environments where they truly want to relax in their down time and socialise with colleagues and business contacts,” said Sonia Cheng, chief executive officer of Rosewood Hotel Group, management company for New World Hotels & Resorts. “It’s often a challenge to get this balance right, but these awards tell us our concept is succeeding.”
